Electrolux 100cm stainless Island Canopy rangehood. Hob2Hood connectivity capability

Product Details

FEATURES

Beautifully designed	Touch on glass controls	Stainless steel body with chimney	LED lighting
3 speed fan + Boost Function	Centrifugal fan	Multi-layer filters	

BENEFITS

Hob2Hood
With our innovative Hob2Hood technology you can effortlessly control your kitchen environment as you cook. This smart technology allows a compatible rangehood and hob to seamlessly work together to instantly get rid of unpleasant cooking odours. As you increase the heat, the temperature sensors automatically adjust your hood to your cooking intensity.

Touch on glass controls
Featuring sleek and stylish touch on glass controls, for easy cleaning and seamless operation

Improved air quality
Inspired by the demands of professional kitchens, our Inspiration rangehoods quietly and efficiently remove cooking odours, smoke and steam. Air quality is also improved, so you enjoy maximum freshness.

Easy to clean and maintain
Cleaning need not be a chore, and with our Electrolux rangehoods it isn't. Designed to be easy to clean, simply put the removable filters into the dishwasher.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	2
