

The new Pure D9 with FlowMotion system - XL Easy-Roll wheels, patented nozzle and PureFlow Technology enable exceptionally smooth and effortless cleaning around your home.

Product Details

FEATURES

FlowMotion System

Top class filtration

Intelligent user interface

Remote control handle

CleanLift handle

3 in 1 tool stored onboard

BENEFITS

FlowMotion System

Enables smooth and effortless manoeuvrability around your home thanks to its XL Easy-Roll wheels and ball bearing FlowMotion nozzle.

Top class filtration

Equipped with HEPA13 filtration in combination with a fully sealed system to capture up to 99.95% of dust in your home.

Intelligent user interface

Built in digital user interface that shows you the level of suction as well as when you need to change your bag and filters.

Remote control handle

Ensures the most effortless cleaning experience without having to bend down to adjust the suction on you body of the vacuum.

FlowMotion LED nozzle

Motion activate LED light nozzle that lights up the darkest places so dust cannot hide with great performance on carpets and hardfloors.

CleanLift handle

Never touch a dirty dust bag again thanks to the newly designed s-Bag and CleanLift Handle. This unique feature hygienically seals when you lift and eject the dust bag.

Easily accessible 3 in 1 tool

Conveniently stores your 3 in 1 tool which you can access with a pull of a tab.

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
