

Enjoy the convenience of a cordless 'grab & go' vacuum. The new Ergorapido 2in1 has been designed to deliver stronger and faster dirt pick-up, whilst maintaining the versatile cleaning benefits of a sophisticated 2in1 floor and furniture cleaner. Its new self standing feature allows you to leave the cleaner upright and the new 14.4V battery technology allows for longer running time & battery life (compared to the 12V Ergorapido).

Product Details

FEATURES

14.4V battery
14.4 Ni-MH battery delivers constant suction power for up to 28 minutes. Battery charging time is 16 hours.

Energy efficient
Improved technology in the new Ergorapido allows for 20% longer running time when compared to the previous Ergrapido generation.

Self standing feature
Allows you to leave the clear upright if a need arises

Cordless freedom
Instant grab and go cleaning for up to 28 minutes, no cords, no fuss.

Ergonomic and flexible
A double jointed / 180 swivel nozzle makes it super easy to glide in and around tight spaces

LED lights on nozzle
LED headlights help see under furniture and in dark spaces, making sure you never miss a thing.

2 in 1 cleaner
Convenient upright and handheld cleaner in one

BENEFITS

Just grab and go
No power cable means nothing gets in your way or limits your cleaning reach. Extremely flexible and manoeuvrable, Ergorapido is ideal for cleaning tight spaces. It doesn't need to be assembled before every use nor kept hidden away as it has been stunningly designed to compliment your home.

Handheld and stick vacuum 2in1
Ergorapido is designed to provide the cordless convenience of a powerful floor cleaner with 2 power settings that allow for regular long-run time cleaning mode and a quick-cleaning mode. To clean shelves, table surfaces, upholstery or even your car, simply remove the handheld unit and switch it on.

Improved powerful performance
Vacuum for up to 28 minutes in one go. The new Ergorapido delivers stronger and faster dirt pick-up (compared to the previous generation) due to a new nozzle with motorised power brush. Improved total battery run-time and better suction deliver superior cleaning results.

Easy brush roll clean
Our unique Brush Roll Clean technology saves you the trouble of having to clean the vacuum's brush roll with your hands. An internal blade cuts all entwined hairs and fibres before they are vacuumed into the dust cup, all with the push of a pedal.
