Dustspotter LED lights	Lithium TurboPower	Self standing	Crevice tool and dusting brush

BENEFITS

Ultimate 2-in-1 flexibility
With the Electrolux Ergorapido there is no limit to where you can clean. Its flexible 2-in-1 design with a detachable handheld unit lets you clean areas above the floor such as countertops, furniture and hard to reach areas.

Easy to use
The 180-degree swivel nozzle means smooth turning and manoeuvrability on all floors. With an ergonomic design and low centre of gravity, this lightweight vacuum cleaner is very easy to use.

BrushRollClean™ technology
Our unique BrushRollClean™ technology saves you the trouble of having to clean the brush roll with your hands or scissors. An internal blade removes entwined hairs and fibres before they are vacuumed into the dust cup, all with the push of a button.

LED lights
The Ergorapido nozzle is equipped with Dustspotter™ LED lights to see dust in the darkest areas when vacuuming.

Lithium TurboPower
Ergorapido features high performance Lithium TurboPower battery for optimal cleaning performance and longer run time (up to 35 minutes on low speed). The LED battery indicator shows when its time to recharge.
