

**Change the way you clean. Engineered power, designed convenience. The new generation of Ergorapido is the only high performance cordless vacuum with 2 in 1 versatility, 180° Easysteer™ manoeuvrability and unique BrushRollClean™ technology. Now features lithium battery across the entire range, providing more suction power and longer run time. Its low centre of gravity design makes Ergorapido very easy to glide, and feels super light on your hands (around 500 grams*).
PLATINUM SERVICE**

Product Details

FEATURES

Lithium battery provides more suction power and up to 45 minutes run time

Low centre of gravity design for a lightweight feel in the hand - weight bearing is only 500gr in resting position

2 in 1 cleaner
Convenient upright and handheld cleaner in one

BrushRollClean™ for effortless and tangle free cleaning at the press of a button

180 Easysteer™ for an easy glide on all floors

Self standing feature
Allows you to leave the clear upright if a need arises

Cordless freedom
Instant grab and go cleaning, no cords, no fuss.

Ergonomic and flexible
A double jointed / 180 swivel nozzle makes it super easy to glide in and around tight spaces

LED lights on nozzle
LED headlights illuminate dark spaces and underneath furniture

BENEFITS

Greater suction power, more run time
A high performance lithium battery and efficient motor provide greater suction power on carpet and hard floors, plus excellent dust pick up on big particles. With lithium battery you can also vacuum for up to 45 minutes in regular setting.

Unique BrushRollClean™
Innovative BrushRollClean™ for effortless and tangle free cleaning at the press of a button. No need to clean the brush roll with your hands.

2 in 1 vacuum cleaner
Stick vacuum and hand held unit in one. Clean above the floor with the detachable handheld unit, ideal for furniture, shelves and table tops.

Effortless cleaning and easy to use
Ergonomic design with low centre of gravity that feels light on your hands, only around 500 grams[^]. Easy to glide and use with 180Easysteer™ and swivel nozzle allow for smooth turning and movement on all floors.[^]As measured by Black White Engineering Solutions (BWES) in 2015 Dec, Report no. ER5742

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
