

UltraActive, excellent cleaning result with less effort!

Product Details

FEATURES

Powerful Cleaning Performance

The combination of a powerful 2100 watt max motor and unique AeroPro™ nozzle system means UltraActive delivers outstanding suction power and dust and dirt pick up, meaning excellent cleaning results with less effort.

Easy Handling

Emptying UltraActive is designed to be as fast and easy as possible. The unique 'drop and go' dust container also features easy to remove cone safety filter, all to make using UltraActive as easy as possible.

Compact and Lightweight

UltraActive gives you the cleaning performance of a larger vacuum cleaner, from a compact, lightweight package.

Hard floor nozzle

The AeroPro hard floor nozzle features soft bristles, and is suitable on all hard floor surfaces.

AeroPro 3 in 1 accessory tool

Features a dusting brush, crevice nozzle and upholstery tool, all in one.

BENEFITS

Powerful Cleaning Performance

The combination of a powerful 2100 watt max motor and unique AeroPro™ nozzle system means UltraActive delivers outstanding suction power and dust and dirt pick up, meaning an excellent cleaning result with less effort!

Easy Handling

Unlike other bagless vacuum cleaners, UltraActive is so uncomplicated to use, you'll find yourself getting the job done in much less time, allowing you to do better things with your energy!

Compact and Lightweight

Weighing only 6.2 kg (average Electrolux cleaner is 8.5 kg) means an end to heavy lifting, made easier from ergonomic carry handles. The elastic Ergoshock bumper, doubles as a storage device, allowing UltraActive to be stored in compact spaces.

AeroPro™ Hard Floor Tool

Offering gentle, yet highly efficient dust and dirt pick up, the AeroPro™ Hard Floor Tool is ideal for polished wood, slate, stone and marble floor surfaces.

AeroPro™ 3-in-1 Tool

Why fumble around with multiple tools when you can use one to do the job of 3? The AeroPro™ 3-in-1 lets you take the complication out of cleaning surfaces, skirting boards and window sills.

Terms and Conditions

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
