

Featuring superb suction power UltraFlex™ has been designed to effectively remove dust and dirt. Its completely sealed filtration system and HEPA filter allow UltraFlex™ to capture 99.99% of dust particles, whilst its thoughtful design makes it a very easy vacuum to operate and store.

## Product Details

### FEATURES

---

**AeroPro Extreme Technology nozzle**  
Ideal for hard floors and carpet.

**AeroPro 3 in 1 accessory tool**  
Features a dusting brush, crevice nozzle and upholstery tool, all in one.

**HEPA filter**  
For outstanding filtration

**Combination clip**  
Clip on hose to reduce storage

---

**2 Parking positions**  
For easy and compact storage

**Platinum Service**  
This product is entitled to Platinum Service, a premium offering to enjoy peace of mind after purchase. Benefit from a direct product replacement in the unlikely event of a major product fault. T&C's apply. Call the Platinum Service line on 1300 365 305

---

### BENEFITS

---

**Superb dust pick up**  
Featuring superb suction power UltraFlex™ has been designed to effectively remove dust and dirt. The twin inlet channels optimise airflow and suction whilst the turbo cyclones spin air at an impressive 140km/hr to efficiently separate the dust.

**Excellent filtration**  
Good filtration is not just about the HEPA filter, dust leakage can occur in other parts of the machine even if the vacuum uses the highest filter type. UltraFlex uses a range of HEPA filters in combination with a sealed filtration system to ensure dust or micro-particles don't leak at any point of their journey throughout the machine. The result, 99.99% of dust particles\*\* and allergens are captured.

---

#### Ideal for allergy sufferers and multi-floors

UltraFlex Allergy is ideal for asthma or allergy sufferers due to its completely sealed filtration system and outstanding HEPA filter. It also includes the AeroPro Extreme nozzle which is suitable for both carpets and hard floors and features a V shape design to increase airflow and suction.

#### Outstanding design

Offering a compact and light design UltraFlex is very easy to glide and store. Its front multi-directional wheel allows you to move the vacuum in any direction and its clip-on hose reduces storage space. UltraFlex can also be stored horizontally or vertically, giving you more flexibility. Lastly, UltraFlex has an extended cleaning reach of 12 metres to allow you to clean large areas without having to change power points.

## Terms and Conditions

### IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

### PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

### WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
